MEMORANDUM OF UNDERSTANDING FOR RESEARCH, TRAINING, EXTENSION, ACADEMIC COOPERATION AND COLLABORATION IN EDUCATION BETWEEN

**bioRe PUBLIC SCHOOL,OJHRA,TEHSIL-KASRAWAAD,DISTRICT KHARGONE
AND
GULAB BAI YADAV SMRITI SHIKSHA MAHAVIDYALAYA,
BORAWAN, M.P., INDIA**

The general objectives of the MoU will be research, training, extension, academic cooperation and collaboration in education of Student-teachers especially students of B.Ed. and M.Ed. courses. It will help to collaborate academically for mutual benefit of both the institutes. It will also help to regulate training programs between the two institutes and extend community services.

It may include programs offered at either party which are felt to be desirable and feasible for the development and strengthening of expertise in the various fields to expand the opportunities in the Research, Training, Extension Academic cooperation and collaboration in Education. It also includes the exchange of ideas on Research Publications, Extension and other Training programs. It aims for the development of human resources to face the future challenges & the cooperative relationships between the two institutions. Such programs may include any or all of the following activities:

1. To participate in seminars, workshops and conferences organized in both the institutes.
2. Allow mutual use of library resources.
3. Collaborate in areas such as Value Education, ICT education, Innovative Teaching-Learning.
4. Teacher Internships and field visits be carried out by mutual consent for time, duration and requirement of the schools.
5. Encouragement of ICT and other online facilities.
6. Placement programs be organized by mutual collaboration between the two schools.
7. Actively participate in Guidance and counseling services for school and students
8. Organize various events, fair and programs for academic purposes.
9. Development of short-term training and extension programs
10. Jointly organize and participate in meetings, seminars, and workshops through various online platform;
11. Increase awareness among students through collaboration for the current areas and topics.
12. Any other areas which the parties agree and are in their mutual interest.

The aim of the memorandum of understanding shall be to achieve a broad balance in the respective contributions and benefits of the collaborations, subject to periodic review by both the institutes. This will take effect from the date of signing and shall be valid for the given time. Either party may terminate the Agreement at any time by the provision of three months written notice to the other party.
