Report

"Workshop on Inclusion and inclusive Strategies"

Name of the Resource Person: Smt. Ajab Amani

Date: 23/02/2021

Time : 01.00 PM

Venue: Seminar Hall, GBYSSM

Participants: B.Ed. & M.Ed. Students

Name of the organizer: Gulab Bai Yadav Smriti Shiksha Mahavidyalaya, Borawan

The IQAC of Gulab Bai Yadav Smriti Shiksha Mahavidyalaya, Borawan organized a workshop on "Workshop on Inclusion and inclusive Strategies" on 23th February, 2021 from 01.00 PM to 02.00 pm flyer was prepared and circulated among the B.Ed. and M.Ed. students of our college. The Welcome address was provided by Santosh Giri, Assistant Professor, Gulab Bai Yadav smriti Shiksha Mahavidyalaya. The resource person of the programme was Smt. Ajab Amani, Practicing advocate and member juvenile justice board. He pointed out the focus of the workshop was the inclusion of children with special needs in the classroom with the other children. To enable this integration, it is very vital that the teacher is sensitised to the learning, social and physical needs of the students. One of the most important steps towards inclusion is sensitisation of people.

The Focus of the workshop was Teacher's role in the classroom: A teacher has a special role to play when trying to maximise the learning potential of students with special needs. The teacher facilitates learning by encouraging, prompting, and by interacting. The teacher's role is to create a welcoming environment and to provide students with ongoing opportunities to learn, share and engage in classroom activities.

She advised the participants to be committed and focused in Parents need to accept the child the way he/she is. They need to help the child to develop his/her skills and to help with the reinforcement of learning that happens. Expectations need to be realistic. The involvement of parents is important and one which is filled with patience.

Academic Year – 2021-2022

“AIDS DAY CELEBRATION”

1/12/2022

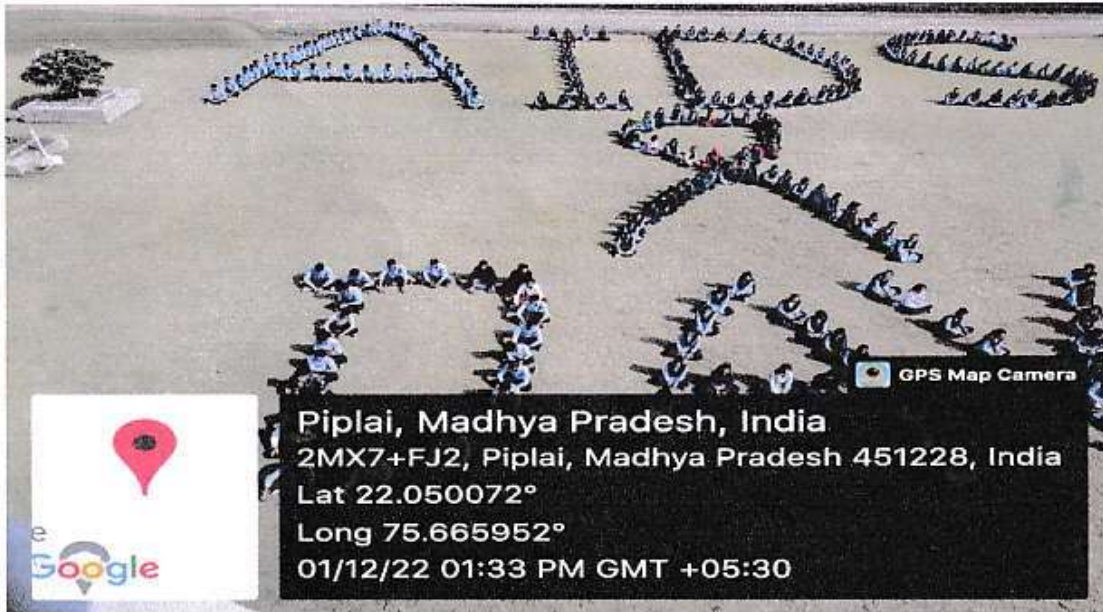

Every year, on 1 December 2022, the world commemorates World AIDS Day. People around the world unite to show support for people living with and affected by HIV and to remember those who lost their lives to AIDS. The inequalities which perpetuate the AIDS pandemic are not inevitable; we can tackle them. This World AIDS Day, UNAIDS is urging each of us to address the inequalities which are holding back progress in ending AIDS. The “Equalize” slogan is a call to action. It is a prompt for all of us to work for the proven practical actions needed to address inequalities and help end AIDS.

Aids day was celebrated to spread awareness among the society and students. For which the students of GBYSSM and SYMDC collaboratively formed a human chain.

The objective of the present workshop was to create an awareness of ICT enabled teaching learning environment among the participants and to develop the capacity of the faculties/ trainers for designing and developing e-content on different subjects. The main focus of the workshop was to engage the participants in hands-on training to use different tools for content development which would be compatible to Mobile APP.

The workshop was based on extensive hands-on training using different software in ICT environment. The Resource Persons followed the lecture methods using PPTs, notes etc. for effective learning outcome. At the end of each day the PPTs and notes were shared among the participants by the Resource Persons.

The sessions involved activity/ hands-on training in which the participants did their work on their own with the help of the resource persons.

The first session was the introduction to the E-content. It dealt in detail with the definition and importance of e-content in the present-day context. The session covered various types of e-content available and the various e-content standards being used world over. The session also covered some of the initiatives taken for development of e-content by NME-ICT, MHRD, Government of India like SWAYAM and SWAYAM PRABHA.

The Second session was the introduction to Instructional Design models. The ADDIE model was discussed in detail. The objective of this session was to acquaint the participants about Page 6 of 11 how to develop the Instructional Design for a particular course. Instructional designers often use technology and multimedia as tools to enhance instruction.

The students were trained to use their laptops as well as mobiles for recording purpose. The students enjoyed the session and came out with some useful video modules developed by them after the end of the session and posted them as E-content in their blogs.
