GBYSSM organized one day workshop on 19 December 2022 Topic: **“ONE DAY WORKSHOP ON DIFFERENT BOARDS IN EDUCATION SYSTEM IN THE CONTEXT OF NEP 2020”** India has a long and variant history of implementing educational policies at the local, state and national levels. Over the centuries the country has seen many changes and developments in its educational systems with the aim of providing access to quality education for all its citizens. Education is one of the fundamental rights of any individuals; it helps individuals to become responsible and productive members of the society. It plays a very crucial role in promoting personal and social development. It helps to build strong communities and strong democracy and it is essential for the ongoing development of the world.

All the students and teachers of the college were present in the program. In the program, important information was provided in the context of various boards of Indian Education Policy.

Special lecture on

“Niti Ayog and Systemic Transformation of School Education”

GBYSSM organised a Special on “*Niti Ayog and Systemic Transformation of School Education*” for the B.Ed. & M.Ed. students of Gulab Bai Yadav smriti Shiksha Mahavidyalaya, Borawan 11 November 2022. The resource person of the session was Dr. Ayub Khan, Assistant Professor, Govt. Education College, Khandwa.

Dr Khan started his session with “A quality education is the foundation of sustainable development, and therefore of the Sustainable Development Goals (SDG)”, maintains the UN SDG initiative. It aims to ensure inclusive and equitable quality education for all by 2030. India has a major role to play in achieving this goal. We have come a long way in ensuring near universal access in primary school education and are striving towards facilitating high quality education to all. In this background, NITI Aayog’s initiative of Sustainable Action for Transforming Human Capital in Education (Project SATH-E) is a guiding star in achieving SDG 4 for India.

He elaborated this report captures the challenges pertaining to ensuring quality school education in the Indian context and shares the bold and path-breaking reforms undertaken by the partner State Governments to overcome these challenges. I am confident that, if replicable in other States, these reforms would become instrumental in achieving the SDG 4 goals of quality education for all in the country in the coming years.

Dr. Parinita Ratnaparkhi, IQAC Coordinator, Gulab Bai Yadav smriti Shiksha Mahavidyalaya, Borawan congratulated all the Bed. & M.Ed. Students and organizers staff for successful completion of Last session of Lecture.
