Recognized by NCTE, Affiliated by Devi Ahilya Vishwavidyalaya Indore

Academic Session: 2021-2022

Workshop on “Technology Use and Integration”

04/08/2021

The teaching faculty and B.Ed., M.Ed. Student of Gulab Bai Yadav Smriti Shiksha Mahavidyalaya, borawan. attended a day long Workshop on “Technology Use and Integration” from 11.30 am to 1.30 pm organized the main objective of the workshop is to assist the teachers & students in integrating ICT in their teaching and learning process. The workshop was of great benefit for the concerned teachers in applying ICT in their work.

The resource persons of the workshop were Dr. S.K. Tiwari Principal from Gulab Bai Yadav Smriti Shiksha Mahavidyalaya, borawan. The actual workshop began with a pre-assessment on ICT.

Through activities the participants were made to have deeper understanding of the various theories and methods of teaching and learning.

There were also power point presentation highlighting the benefits of integrating ICT in teaching:

- ICT when used into the curriculum, it revolutionized the learning process.
- ICT keeps students engaged in their learning using powerful tools and became creators and critics instead of just a consumer.
- It is a necessity of today’s students to have 21st century skills She further made very clear what is not ICT:-
- ICT is not a computer learning class
- It is not a substitute for teacher
- It is not a teaching tool-e.g.- teaching using a Power-point presentation to teach
- It is not learning parts of computer machines as chapter.

Throughout the workshop they reminded the teachers to design constructive learning activities and allow students to use technologies to create or construct something out of the lesson they are learning.

The resource persons explained how integrating of Information and Communication Technology in education helps our students in developing higher order thinking skills like analysing, evaluating and creating.

At the end of the session, teachers seemed to have found the workshop enriching and convincing. The post assessment scores also showed that the participants have well digested ICT.
