IQAC of Gulab Bai Yadav Smriti Shiksha Mahavidyalaya, Borawan college has organized a 15 Days' Online workshop for newly admitted first year B.Ed. Students on “*Spoken English*”.

The workshop is aimed to encourage young B.Ed. of Gulab Bai Yadav Smriti Shiksha Mahavidyalaya to learn and explore the spoken English skill to enhance their communication skill. Campus placements are one of the biggest events in every student's life. It's easy to see just how important English is around the world. Many international businesses conduct meetings in English; universities teach courses in English and, around the world, tourists and travelers use English as a common language.

Good English is not only classy but a possibility to continue studies and specializations in the best universities in the world, which are in fact, in countries where they speak English. Education is very important to improve yourself but learning English also improves the quality of life. You have access to jobs that you could not even take into consideration, you can evaluate an

international career and you can live in many countries with the ease of being able to go shopping or negotiate rent for the house. The benefits they bring in the life of a person's knowledge of the English language are countless. What is important to understand is that the English language is able to knock down a lot of barriers, including cultural ones.

Mrs. Ajab Amani, who has been in the field of teaching English language, has conducted the session for students from 18/01/2021 to 01/02/2021. The session includes theory and practical session in which students are given topic and invited for discussion at the desk to motivate and encourage others. Students are also asked to participate in games specially designed by expert to enhance their English language vocabulary. Mrs. Ajab Amani has provided guidance regarding topics like how to enhance vocabulary in English language, how to find good literature to read, importance of English writing to learn about language and motivated students to increase their command over English speaking and removed stage fear while speaking English.
