African Heritage

- ✓ Inheriting of customs, beliefs, practices, values and norms from our forefathers- which distinguishes us from one another.
- ✓ Every country has its own unique cultural heritage - I am born a Kenyan (Kenyan Heritage). Born a Kalerjin/Sabot ethnic group- That flows in my blood.
- ✓ Born in Africa, makes me have ideal African Heritage.
- ✓ Youth accounts to 70% of the population in Africa and its heritage rests on their shoulders

Regarding preparation of NET and Higher Education 2020-2021

The image shows a Zoom meeting interface. On the left, a whiteboard is displayed with handwritten mathematical work. The equations are:

$$U_2 = N_1 N_2 + N_3$$
$$= 6 \times 5 + 5 \times 2$$
$$= 30 + 10 = 40$$

Below these equations, there is a small diagram showing two overlapping circles, with the intersection shaded. The text "Nit in is presenting" is visible at the bottom of the whiteboard area.

On the right, the Zoom meeting controls are visible. The "People" tab is selected, showing a list of participants:

- Rashmi Singh (You)
- Nitin Bajpai (Presenting) - Meeting host
- ambika singh
- Anupama Singh
- Dr. Ravindra Nath Y...
- Jyoti Pandey
- Komal Bharti
- Laxmi Mishra
- PRATIBHA YADAV

At the bottom right, there is a small thumbnail of the whiteboard content, showing the equations and the diagram.
