## ORIENTATION ON "ASSESSMENT INSTRUMENT FOR 21 CENTURY SKILLS"

15/09/2022

### REPORT

On September 15, 2022, the IQAC of Gulab Bai Yadav Smriti Shiksha Mahavidyalaya, Borawan conducted an orientation on Assessing student learning. Prof A.K.Singh, Professor, Kanwartara Teachers Training Institute, Mandleshwar served as the resource person. The prospective teacher was the part of the orientation. The resource person oriented the participants on assessment and the role of assessment in learning. He explained the term assessment that refers to the wide variety of methods or tools that teachers use to evaluate, determine whether they are on track or not. He elaborated that assessment helps teachers to gain insight into what students understand in order to plan and guide instruction. He also listed and explained the principals involved in assessment practices. It expanded the knowledge of students on conducting assessments for their students during their teaching practice. The resource person cleared the doubts of the participants with patience. On the whole the session was well received by the student teachers.
