Report On Hands-on-Training on E-Content Development

Organized By : ICT Cell
Resource Person : Mr. Surmal Narve,
Assistant Professor of Education.
Date : 15/11/2022

The objective of the present workshop was to create an awareness of ICT enabled teaching learning environment among the participants and to develop the capacity of the faculties/trainers for designing and developing e-content on different subjects. The main focus of the workshop was to engage the participants in hands-on training to use different tools for e-content development which would be compatible to Mobile APP.

The workshop was based on extensive hands-on training using different software in ICT environment. The Resource Persons followed the lecture methods using PPTs, notes etc. for effective learning outcome. At the end of each day the PPTs and notes were shared among the participants by the Resource Persons.

The sessions involved activity/ hands-on training in which the participants did their work on their own with the help of the resource persons.

The first session was the introduction to the E-content. It dealt in detail with the definition and importance of e-content in the present-day context. The session covered various types of e-content available and the various e-content standards being used world over. The session also covered some of the initiatives taken for development of e-content by NME-ICT, MHRD, Government of India like SWAYAM and SWAYAM PRABHA.

The Second session was the introduction to Instructional Design models. The ADDIE model was discussed in detail. The objective of this session was to acquaint the participants about Page 6 of 11 how to develop the Instructional Design for a particular course. Instructional designers often use technology and multimedia as tools to enhance instruction.

The students were trained to use their laptops as well as mobiles for recording purpose. The students enjoyed the session and came out with some useful video modules developed by them after the end of the session and posted them as E-content in their blogs.
