Report on Two days National Conference on "Innovation in Education"

14-15 May 2022

The IQAC of Gulab Bai Yadav Smriti Shiksha Mahavidyalaya, Borawan organized a Two days National Conference on "Innovation In Education" for B.Ed. and M.Ed. Students on 14-15 May 2022. The Twodays 7th national Conference on "Innovation in Education" was inaugurated with Trustee, Sachin Yadav, Dr. Renu Jain, Devi Ahilya Vishwavidyalaya Vice-Chancellor, Prof. S.K. Tiwari, Principal, Gulab Bai Yadav smriti Shiksha Mahavidyalaya, Borawan D.N. Sansanwal keynote speaker and Dr. Laxman Shinde, Head, School of Education, DAVV, Indore Trustee Smt. Damayanti Yadav, Dr. Atul Upadhyay Principal JIT Dr. Sujit Pillai, Principal G.R.Y Institute of Pharmacy, Dr. Sunil Sugandhi, Dean ,Jawahar Institute of technology, Borawan and Trust CEO Sanjeet Yadav welcomed all the guests.

The Corona epidemic spread in the state had greatly affected the education along with the prevailing traditions and work arrangements. But online classes will have to be done in coordination with new experiments and technology. Teaching continues. Today computers and tablets have taken the place of books. We have to adopt all these things for the future also. Change in education will be possible only through innovations. MLA Mr. Yadav welcomed all the guests and researchers on this occasion and extended best wishes and useful in progress. Our educationists and researchers have to work hard and work a lot in this direction. It is a collective effort in which everyone has to work together.

Dr. Laxman Shinde , Head, School of Education Devi Ahilya Vishwavidyalaya ,Indore and speaker of the seminar, said in his address that innovation in education is very necessary in today's time. This is necessary for the changing scenario of the world and the education system. Teachers are the future builders of the country and they need to adopt innovation in education. There have been many changes in the education policy in the last few decades. Dr. Renu Jain ,VC ,DAVV Indore Said in This two-day seminar has brought a new message and every Learning is a continuous process of life

A large number of principals, research scholars and college students of prestigious institutions were present. On the inauguration of the seminar, Kasrawad MLA Sachin Yadav said in his address that new changes are taking place in the education world and it is the need of the hour that we should accept these changes and innovations. We all have seen in the last 2 years that countries including the world Devi Ahilya research scholars will be benefited from this on the occasion of the inauguration of the seminar. The Vice-Chancellor of the University, Dr. Renu Jain said in her address that learning is a continuous process in our lives. Education and teachers have always been respected in our country since ancient times. It is part of our rituals. It is necessary to be done so that the guest of our country's progress comes to the state.
