

### Report

#### Seminar on 'Strategies of effective Lesson Planning'

Date :20.12.2021 To 24.12.2021

A special lecture on 'Strategies of effective Lesson Plan' on 20/12/2021 to 24/12/2021 in our college for the B.Ed. I year students. A prior notice was given to students about the same. **Smt. Manjulata Gupta**, Assistant Professor of Gulab Bai Yadav Smriti Shiksha Mahavidyalaya, Borawan served as the resource person. She discussed various types of lesson plan namely Herbartian Approach, RCEM Approach, Morrison Approach, Bloom's Approach of Evaluation Approach, Types based on Content – Detailed / Elaborate Lesson Plan, Semi-detailed Lesson Plan, Skeletal Outline/ Bride Lesson Plan and Time-Based lesson Plan – Daily Lesson Plan, Weekly Lesson Plan, She elaborated the important features, the steps and format of writing the lesson plan in each approach. This helped students to make a comparative understanding of the above. It also enabled them to know how Herbarium Approach was user friendly compared to others. Her session was interactive and useful. She then clarified the doubts of the students.
