## ONE DAY AWARENESS PROGRAMME ON GENDER SENSITIZATION

25-02-2021

Gender Sensitisation Program was organized at GBYSSM College, Borawan on 25/02/2021. Gender Sensitization can be understood in simple terms as modification of behaviour by addressing issues of gender inequality. Gender sensitization is the basic requirement to understand the sensitive needs of a particular gender. It helps us to examine our personal attitudes and beliefs.

Through this program our Educational Institute instilled thoughts and corrected the perceptions related to gender issues. It helped the development of a more democratic society which can be crucial to changing attitudes into accepting gender equality as fundamental social values. The number of students participated in the program were 180 from both the Courses of B.Ed. and M.Ed. "Beti Bachao Beti Padhao" Program was also organized by the college under Gender sensitization.
