CAREER DEVELOPMENT PROGRAMME FOR SCHOOL STUDENTS

Gyansagar Higher Secondary School, Goradia, Tehsil. Bhikangaon

Career Development Program was organized on 12-02-2018. Education & Career development fair is a one stop program focused on student recruitment and admissions for Higher Education after the Board examination result. This event took place at the year end when students are searching various career options for admissions in the institutes of their choice and leading to their job opportunities.

Career advisors can help you talk through your questions, figure out what interests you and start putting together a personalised plan. It helps you explore career fields and began to develop a professional network and built skills. It can help students to identify and peruse opportunity to gain hands on experience. Staff and students enthusiastically participated for pre preparations and on the field success of the career development program.

GO GREEN: ENVIRONMENTAL PROGRAM

Go Green Environmental Program was organized at GBYSSM on 6-06-2018. Go Green means finding a balance between the Lives you lead, the impact that life and your choice have on the planet, and being mindful enough to help maintain ecological balance to preserve the planet, its ecosystems, and its natural resources. Go Green as well as other environmental campaign are intended to spur humanity into taking proactive steps to protect the environment. Therefore it is our responsibility to change our behaviour and learn to improve upon our action towards the environment. In the program, 105 students and staff were present to carry out the Go Green Program.

SWACHHTA ACTION PLAN BY INSTITUTION

MAHATMA GANDHI NATIONAL COUNCIL OF RURAL EDUCATION, GOVT OF INDIA

Under the scheme, MGNCRE, National Conference Sustainability College and Village-India Reg was attended by Mr. Manoj Kaushle. Mahatma Gandhi National Council of Rural Education under the Ministry of Human Resource Development, in Government of India strives to promote resilient rural India through Higher Education interventions. MGNCRE designs, develops and promotes curriculum inputs for higher education programmes offered by Universities and Autonomous Institutions in India. The higher educational streams of focus for MGNCRE include: Rural Studies, Rural Development, Rural Management, Social Work and Education. The curriculum inputs are both theoretical and practical field-related relevant to rural India.
